YOUR WEDDING FACING THE GOLDEN ISLANDS

A Riviera-inspired setting, framed by the beauty of Provence on the Mediterranean coast. Hidden corners beneath the pine trees for a few candid photographs, sun-drenched terraces, a swimming pool carved into the rock... a truly unique venue to celebrate one of the most beautiful days of your life.

Our team will be by your side to imagine and orchestrate your wedding, from the very first visit to the final shared moments.

LE PROVENÇAL A PLACE BETWEEN LAND AND SEA

Located on the Giens Peninsula, between sky and Mediterranean waters, Le Provençal is a family story that has been unfolding since 1951. It is a living estate, a haven of nature and elegance where time slows down and every view opens onto the sea. With its 41-room and suite four-star hotel, 23-apartment residence, and two-hectare private park, the property offers your guests an exceptional setting in which to experience your wedding from within: staying on site, gathering by the pool, sharing freshly grilled fish, playing tennis, strolling beneath the pine trees, and savoring every moment at a leisurely pace. Here, the celebration is not limited to a single moment. It extends over a weekend, a night, a next-day lunch. It is found in the details: the golden evening light on the terrace, the gentle sound of the waves in the background, the scents of Provence carried through the warm air.
